

Below is information relating to the provisional dates of assessments/projects for S5/6 pupils at Higher, Nat 5 and Nat 4 levels as appropriate.

Week Beginning	Subject Information
22 nd September	Chemistry Higher: Unit 1
29 th September	Design & Manufacture Higher: all units assessed throughout the session and class teachers will give short time targets for these Graphic Communication Higher: all units assessed throughout the session and class teachers will give short time targets for these
6 th October	Mathematics Nat 4: Unit 1
20 th October	Art & Design Higher, Nat 5 and Nat 5: Unit1
27 th October	Biology Higher: Unit 1 Biology Nat 5: Unit 1 Physics Nat 5: Unit 1 Mathematics Nat 5: Unit 1 Business Management Higher: Understanding Business assessment Computing Higher: Computer Systems assessment
3 rd November	Mathematics Higher: Unit 1 Business Management Nat 5 & Nat 4: Understanding Business assessment Administration Higher: IT Solutions for Administrators assessment Computing Nat 5: ISDD assesment
10 th November	Chemistry Higher: Unit 2 Physics Higher: Unit 1
17 th November	Administration Nat 5 & Nat 4: WP assessment
24 th November	Chemistry Nat 5: Unit 1 Fashion & Textile Nat 5: Unit 1 Business Management Nat 5 & Nat 4: Marketing & Operations assessment Administration Higher: Administrative Theory & Practice assessment
1 st December	
8 th December	
15 th December	Art & Design Higher, Nat 5 and Nat 4: Unit2 and Folio development Administration Nat 5 & Nat 4: Spreadsheet Assessment Business Management Nat 5 & Nat 4: re-testing Administration Higher: retesting Business Management Higher: Marketing & Operations assessment Computing Higher: Software Development & Design assessment

Week beginning	
5 th January	Design & Manufacture Higher: final course project started Graphic Communication Higher: final course project started Administration Nat 5 & Nat 4: ongoing throughout this term is Administrative Practices assessment
12 th January	Mathematics Higher: Unit 2 Mathematics Nat 4: Unit 2 Art & Design Higher, Nat 5 and Nat 4: Re-assessment Administration Nat 5 & Nat 4: Database Assessment
19 th January	
26 th January	Chemistry Nat 5: Unit 2 Biology Higher: Unit 2 Biology Nat 5: Unit 2 Physics Higher: Unit 2 Physics Nat 5: Unit 2 Fashion & Textile Nat 5: Unit 2 Administration Higher: Communications in Administration assessment
2 nd February	Hospitality Nat 5: Unit 2 covered in Senior Prelims French Higher: Reading and Listening assessments Spanish Higher: Reading and Listening assessments Business Management Higher, Nat 5 & Nat 4: Business Report research ongoing throughout February (higher business report accounts for 30% of final award) Computing Nat 5: SDD assessment Computing Higher: Coursework assessment which contributes 60 marks to final award
9 th February	Mathematics Nat 5: Unit 2
16 th February	
23 rd February	Art & Design Higher, Nat 5 and Nat 4: Unit3 Fashion & Textile Nat 5: Unit 3 Business Management Higher, Nat 5 & Nat 4: People and Finance assessment Computing Nat 5: Course Assignment
2 nd March	French Higher: Writing and Talking assessments Spanish Higher: Writing and Talking assessments Administration Nat 5 & Nat 4: Communications in Administration assessment Administration Nat 5 & Nat 4: timed SQA paper
9 th March	Chemistry Higher: Unit 3
16 th March	
23 rd March	Chemistry Nat 5: Unit 3 Biology Higher: Unit 3 Biology Nat 5: Unit 3 Physics Higher: Unit 3 Physics Nat 5: Unit 3

	<p>Fashion & Textile Nat 5: Course Design to be completed</p> <p>Hospitality Nat 5: combined approach to assessment to be completed by the end of March</p> <p>Design & Manufacture Higher: final course project to be completed</p> <p>Design & Manufacture Higher: all units to be completed</p> <p>Graphic Communication Higher: final course project to be completed</p> <p>Graphic Communication Higher: all units to be completed</p>
30 th March	<p>Mathematics Higher: Unit 3</p> <p>Mathematics Nat 5: Unit 3</p> <p>Mathematics Nat 4: Unit 3</p> <p>Hospitality Nat 5: final assessment to be completed</p> <p>Administration Higher: SQA course assignment (which consists of 70% of final award)</p> <p>Computing Higher: Networking assessment</p>
27 th April	Mathematics Nat 4: Added Value Unit
